

AC PERUGIA
INTERNATIONAL
PROJECT

TI | **Tryout
Italia**

FOR: 14 – 21 YEARS OLD
DURATION: 6 DAYS

Official Tryout:

AC Perugia are well aware of the fact that there are many talented players hidden somewhere in the world who are not given the opportunity to be seen.

Due to this reason we invite players aged 14 to 21 to take part to our professional Try-out where all players can be evaluated during trainings and friendly matches by a professional staff and directly by AC Perugia.

This is a big chance for players wishing to get scouted!

Technical Objective

Scouting quality players to take part of AC Perugia youth teams. During a period of training and matches all players are trained and evaluated by a very professional staff of the AC Perugia "International Project" coaches and scouts. Players have the opportunity to be looked at while playing also for scouts from other professional clubs attending the event, such as: Juventus, Cagliari Calcio, AC Perugia, UC Sampdoria etc.
